### Tuition Fees

The yearly tuition fees are \$17400 per child, for students in years 1-8. These fees include GST (a 15% goods and services tax in New Zealand). These fees are payable before, or on the first day of a student's attendance at Golden Grove School. Fees for a partial year are outlined in the table 'Fees for a Part Year'. The breakdown for what the fees are applied to is outlined in the table 'International Fee Breakdown'.
